

Prayer for the Intercession of Bishop Boleslavs Sloskans

Merciful God, You have granted a priest and bishop's honor and dignity to your servant Boleslavs Sloskans, and You have guided him on the way of Your Son, Jesus Christ. Your blessed servant patiently carried all the sufferings and repressions of Communism praying for his persecutors. He completely trusted that Your Son's words would come true: "Blessed are you when they insult you and persecute you and utter every kind of evil against you because of me. Rejoice and be glad, for your reward will be great in heaven." (Mt 5, 11-12).

We pray to You, Lord, for the swift canonization of your devoted servant, that Your Word would be more and more honored and praised in all nations. May more and more people, following the example of faith and love of Bishop Boleslavs Sloskans, resemble the image of Your Son Jesus Christ and lead to You the children of this world, who are thirsty for truth, love and beauty. Following Bishop Sloskans' example, may they find strength and courage to resist the present attacks on the faith and on Christian values, and in all places, where there are hatred and quarrels, may Christians become an example of forgiveness. Lord, through the intercession of Bishop Sloskans, we ask You to hear our prayers for the intention of (...). Amen.
